

# **LARMENIER STRIKE GOLD**

On Wednesday 18<sup>th</sup> June, the Larmenier and Sacred Heart athletics team travelled to the Linford Christie Stadium to compete in the Hammersmith and Fulham District Athletics competition. Our squad was made up of over 30 children from years 3-6 and they took part in track and field events against 23 other schools from the borough. The day proved to be very successful with the school finishing as joint winners overall and outright winners of the girl's competition.

The morning consisted of the track heats where quite a number of Larmenier children qualified for the afternoon's finals. In the field, Larmenier were picking up points from a number of events, including a hard fought first place in high jump Gemma Seymour.

The sun came out for the afternoon as the finals of the track events got underway. Larmenier picked up top 3 finishes in 7 races including an incredible first place in the Year 5 girls relay. The final two races of the afternoon were the year 6 relays and Larmenier faced a nervous wait as both teams had narrowly missed out on making the finals. Thankfully, the lead we had built up could not be surpassed and we ended level on points with Wormholt Park and Wendall Park.
