

On Friday 28th February, the Larmenier and Sacred Heart swimming team took part in the Hammersmith and Fulham Swimming Gala. The team was made up of children from Years 4, 5 and 6. The team was extremely successful, returning with two bronze medals, two silver medals and two gold medals. One of the gold medals came as a result of an amazing girls' relay race, where the team came from behind to win in front of our screaming parents.

The girls' team won a huge shield for finishing first in the girls competition which triggered a rather surprising reaction from Mr Garvin. The girls and boys finished third overall to cap a great performance.

As our team mates swam we cheered and clapped, the experience was jaw dropping and we loved every second of it.
