Well done to those of you who took on one of the half term challenges set by the Head Boy and Head Girl. The Skittles Challenge was very popular!

GF in Class 2G and his little brother LOVED doing the skittles challenge. They made a special trip to buy the skittles and did a quick check to see if all the flavours were tasty - they were. Then they had to decide which were their favourite flavours (GF's is orange, but his brother's is green). Then thankfully there were still enough skittles left to do the challenge. They even tried making a different pattern and seeing if that worked in the same way.

SM in Willow Class has tried a new food. Well done!

GS in Willow Class has been busy baking and completing the Skittles Challenge. What a beautiful pattern?

GM in Class 6G has built a card tower and read a whole book to her new baby brother. Although, reading a whole book wasn't too much of a challenge as GM loves to read!

GG in Class 6G and GG in Willow class have been extremely busy completing many of the Half Term Challenges!

Star jumps for 30 seconds

Designing and making board games

Building a den and completing the Skittle Challenge

Building a card tower and baking

CM in Class 1B has learnt how to peel a banana like a monkey!

JU in Class 2B has been busy baking and taking on the Skittles Challenge!

SH in Class 6G and AH in Class 2G have completed two of the challenges by baking these delicious cookies and creating a treasure map!

A bridge created using pasta by VS in Class 2B.

MB in Class 2B has created a wonderful world map puzzle.

This is the Eiffel Tower made from pasta. Designed and created by A-LS in Class 3B.

EB in Class 6G has created a bridge using just spaghetti!

J U-S in Class 2B has also taken some beautiful photographs
