- 18th Parent/Teacher Conferences, 3.30pm-6.00pm
- 19th Open Afternoon for Prospective, Parents, 1.30pm

## Year 4 Visit the British Museum

On Tuesday 20th September, Class 4B went on a really interesting trip to the British Museum as part of the ancient Egyptians topic that we are studying in history. We were like detectives walking through the museum, trying to find the Egyptian sculptures, symbols and of course mummies that were listed on our worksheets. We had to be very observant as it wasn't always easy finding what we needed to find, particularly the symbols, but we had great fun trying. We also learned a lot more about what the symbols meant and how a body was mummified. Thank you to all the parents who accompanied us on the trip and helped with are detective work.

By Sofia Eden and Sophia Barakat, Class 4B

## Best Attendance

Week ending 16 Sept, Class 3B with 100% attendance.  
Week ending 23 Sept Class 3G & 4B with 100% attendance.

The Nursery Class have been busy exploring the school garden with Miss Sally. Our first job was to pick apples from the tree to bake into muffins! We picked tomatoes, cucumber and lettuce which we ate at snack time and we also collected berries which we made into jam! By Miss Dignan

### Year 1 Nature Walk

We have been learning about nature in our science lessons. We went around the big playground to have a look at the different plants and flowers. We saw a few weeds but lots of flowers too. We also saw some red tomatoes that we all wanted to eat.  
By Tullia Edgar and Adam Howard, Class 1B

### St Paul's Summer School

This summer I went to the St Paul's summer school. Whilst there I experienced new subjects like Spanish and debating. I particularly enjoyed debating and I was fighting for the motion that zoos should not be closed down.

In addition all the teachers were really friendly and good at explaining things; I learnt so many new things! The teachers made lessons fun and enjoyable.

Furthermore, in physical education I enjoyed our basketball sessions. My team won the tournament and we got the highest score in the sports quiz.

I am really grateful for the opportunity because I made a lot of friends and we had the best time.

By Soliana Alemayehu, Class 5B

### Year 6 Football Teams

#### Mayors's Cup, 1st Round Larmerier & Sacred Heart V Langford

We started the game really confidently and I was lucky enough to score the first goal after a pass from Sophie. We defended really hard in the second half and managed to keep our 1-0 lead. We were so glad to get a win in our first game!

**Final Score 1-0** By Audrey Saugnac, Class 6G

Our first match was really fun and the team played really well as a collective for our first match. Langford managed to go 1-0 up in the first half but I equalised! We then got a 2-1 lead (thanks to Harrison) in the second half but they managed a late goal so the match ended in a draw.

**Final Score 2-2** By Jay McMillan, Class 6G

### MERIT CARDS

Merits are awarded for great academic work and to celebrate special achievements. Congratulations to the children who have been awarded merit cards over the last fortnight.

Week Ending 16.09.2016

Willow
